Uniform Requirements

As God continues to grow OCA and OCHS, we continue to strive toward excellence in all we do. Regardless of where uniforms are purchased, each student is responsible to adhere to the uniform requirements set forth in the dress code. This information can be found in the uniform policy taken from our Parent/Student Handbook. Hopefully, you will find this brochure to be a helpful tool.

Uniform Policy

The primary reasons for a dress code are to insure modesty that the Bible encourages (1 Tim. 2:9) and to encourage a dignity that is appropriate for the school setting. The appearance of our students communicates the Christ-centered focus of our school, and should be a valuable testimony in establishing our reputation as an outstanding school with superior students. The dress code is established to provide guidelines for parents and students on appropriate school dress. Student attire should convey respect for himself, fellow students and teachers.

Uniform Schedule

The dress code applies to the school day and all events on or off campus in which OCA/OCHS participates unless otherwise stipulated.

"I urge you therefore, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove that the will of God is, that which is good and acceptable and perfect."
